K-State Agricultural Economics presents

Finances and the Farm:
An online class to enhance your farm management skills

An applied approach to developing and using farm financial statements for management decision-making for farmers and ranchers of all types

This is a self-paced course you can take when it is convenient for you!

This course can be taken for education only or to fulfill FSA borrower’s requirements.

Participants will:
• Understand the structure of a balance sheet, income statement and cash flow
• Choose either Cattle/Crops or CSA/Farmers Market case farm to complete hands-on financial activities
• Be prepared to use financial management techniques for your own operation
• Set goals for your operation
• Learn how to make changes to avoid financial difficulties

Bonus content:
• Cost of Production
• Grain Marketing
• Family Communication
• Managing Farm Stress

Registration Fee:
• $300 for FSA credit class
• $100 for education only

Approved for FSA Borrower’s Training Financial Credit

Taught by Robin Reid, K-State Extension Farm Economist, and LaVell Winsor, K-State Farm Analyst
