It’s getting close to FAIR TIME! I hope you have been practicing baking what you want to bring to the fair in the open class foods division. My family loved it when I would try different recipes to see what was best to take to the fair. They got to test taste and vote on their preference. Of course, they always said I needed more practice.

Again, this year, Phillips County Fair will hold the KING ARTHUR FLOUR BAKING CONTEST. This year King Arthur Flour is sponsoring a baking contest for all bakers in the open class division. King Arthur Flour is supplying the prizes which are:

King Arthur Flour can be purchased at your local grocery store.

Fair time will be here before you know it. Practice making the baked foods and have your family judge your product. Baking can be a fun family activity especially if the whole family becomes involved. Many hours have been spent with my Mom learning her secrets to successful baked products and many hours have been spent with my kids baking and finding out about their day, activities, and pretty much what makes them “tick”. So, get out the mixing bowl, measuring cups and spoons, find the flour and sugar and mix up a memory and bring that memory to the fair.

The Phillips County Fair is July 30 – August 3. Entry day is Friday July 30. Entries need to be in place by 1:00 p.m. and judging will begin after 4-H foods judging is completed at approximately 1:00 p.m. For questions, contact the Phillips-Rooks Extension District Phillipsburg Office at 785-543-6845.
