GENERAL RULES

1. The Executive Committee of the Phillips County Fair Assoc. reserves the right to interpret these rules and regulations and arbitrarily settle all questions arising in connection with the Fair that shall be held under the management of this board.
2. The management reserves the right to amend or add to these rules as they, in their judgment, deem advisable, should a conflict of general and/or specified rules arise.
3. Any person who violates any general and/or special rule may, in the discretion of the Executive Committee, be subject to such penalty as the Executive Committee may determine, up to and including the forfeiture of all privileges and premiums.
4. Any person having a complaint shall submit such complaint to the Grievance Committee which is composed of the following seven members: The President and Vice President of the 4-H Council, the FFA President, the Council Advisor, and the President, Vice President and Secretary of the Fair Board. Additionally, the Phillips County Extension Agent shall serve on the Grievance Committee in an advisory capacity. Submit all grievances, in writing to the County Extension Office. The grievance must be signed. Identify who the grievance is against and those persons knowledgeable about the issues. The grievance will be provided to all individuals involved. The grievance will be reviewed within 24 hours. If the grievance is submitted at a time not during the Fair, the County Extension Agent will determine the time to review the grievance.
5. **All Fair Pre-Entries are due in the Extension Office July 15 by 5:00 p.m. All entries must be listed on the Pre-Entry form, if an entry is not on the form or entered after this date all awards and premium monies will be forfeited. If this date falls on a weekend, the following Monday will be observed.**
6. Any individual may exhibit in open class competition but only members of 4-H clubs and FFA Chapters from Phillips County may exhibit in 4-H and FFA classes. Phillips County FFA Chapters are Logan FFA and Phillipsburg FFA. High School Family & Consumer Science students in Phillips County are eligible for Family and Consumer Science Divisions. Only those individuals who are registered members of the Phillips County Boy and Girl Scouts can enter in the Scout division. THE SAME PROJECT (Ex. - bucket calf, cat, dog, etc.) CANNOT BE SHOWN IN BOTH 4-H/FFA AND OPEN CLASS AT THE PHILLIPS COUNTY FAIR.
7. Age requirements for the 4-H and FFA division -- only County 4-H members who were 7 years of age but not yet 19 years of age as of January 1 of the current year are eligible to compete in this division. FFA members are eligible to compete in this division during high school and the summer following high school graduation. Those 4-H members who are 5 years of age as of January 1 but who have not had their 7th birthday by January 1 of the current year are Cloverbud 4-H members.
8. At the county fair, the 4-H Cloverbud members may show their project in the Cloverbud class only. They will be awarded Cloverbud Awards only. No trophies or prize money will be awarded to them.
9. All 4-H exhibits shall be checked in and judged according to the schedule beginning at 8:00 a.m. Friday. All Livestock must be in place by 6:00 p.m. Friday evening. All exhibits must remain in place until 7:00 a.m. Tuesday. Exhibitors will forfeit premium if exhibits are removed early. At the close of fair, all exhibits are to be claimed by the exhibitor or parties representing the exhibitor. Those in charge assume no responsibility for exhibits left on the fairground after the close of the fair.
10. Exhibits at the Phillips County Fair are entered and displayed at the risk of the exhibitor. The Phillips County Fair Association or K-State Research and Extension accepts exhibits and will exercise due care to protect them. 4-H or FFA members who have exhibits of great sentimental and/or monetary value should carefully consider whether such exhibits should be exposed to the hazards of the fair.
11. All classes, except livestock, visual arts, clothing, fiber arts, photography, self-determined, woodworking, horticulture and foods, are limited to **one** exhibit per class.
12. The exhibits must be the handiwork of the exhibitor. Exhibits must be the result of work accomplished during the current project year.
13. Anyone wishing to exhibit in a class that is not listed contact the Extension Office for permission to set up a special class, by the Friday before the Fair.
14. All Open Class exhibits will abide by 4-H and FFA rules unless otherwise stated.
15. All protests regarding a judge's decision shall be made to the Superintendent of the project/event in writing within 30 minutes of the judge's decision along with a ten dollar deposit which will be forfeited if the protest is not sustained. Said protest shall state plainly the cause of complaint or appeal. All decisions by the Superintendent are final, subject only to review by the Grievance Committee.
16. No alcoholic liquor, cereal malt beverages, or controlled substances permitted on Fairground premises. Violators subject to penalties, as defined in the Kansas Statutes Annotated. Violating exhibitors will be disqualified and forfeit premiums.
17. 4-H members staying overnight must have adult supervision through the night.
18. No open fires on the Fairground premises.
19. No ATVs permitted on the fairgrounds with the exception of commercial use.
20. 4-H/FFA exhibits are judged as excellent, superior, good or fair. Purple, blue, red or white ribbons will be awarded by the judges.
21. Purple ribbons will be given for exceptional work by individuals and are eligible for State Fair, if they meet requirements for classes at the State Fair.
22. 4-H and FFA starred classes cannot be exhibited at the State Fair.
23. Age requirements for State Contests is 9 through 18 years old as of January 1 of the current year.

Junior, 7-8 year olds Intermediate, 9-13 year olds Senior, 14 and older.

4-H & FFA DIVISION

GENERAL LIVESTOCK RULES

1. READ GENERAL RULES
2. Complete stall card for each animal to be exhibited. Stall cards available at Fair Office on the day of check in.
3. All Market animals must be ear tagged with official 4-H tags and recorded in the Extension office by May 1. All breeding animals, bucket calves and bottle lambs must also be recorded in the Extension office by May 1. They must be tagged with a 4-H tag, herd tag or tattoo.
4. **All tag numbers turned in on May 1 to the Extension Office must correspond to the tag number and animal turned in at pre-entry and brought to the fair.**
5. Livestock must be owned or co-owned by the exhibitors at the time of exhibiting. Exhibitors should accompany their livestock exhibits and care for them. Livestock exhibitors must be on hand to exhibit their entries. No adult may assist with the showing of an animal. All adults must remain outside the show ring while livestock is being judged. Only the superintendents, judge, and exhibitor will be allowed in the ring. For livestock of a wild nature, superintendents must decide whether it is reasonably safe for the animal to enter the ring.
6. Exhibitors, except for Open Class, of beef, swine, sheep, and goats shall weigh their animals at the fairgrounds to facilitate the animals being placed correctly in either light or heavy weight classes. Any objection about weight of an animal must be made by the exhibitor at the time of entry. The exhibitor has no right at a later time to ask for re-weighing.
7. An exhibitor's first two animals in each division (market and/or breeding of beef, sheep, swine, dairy and goats) will be eligible to receive a livestock premium, except for Open Class Livestock. (Example: 2 market and/or 2 breeding in each species). A maximum of 4 premiums per species. No premiums will be paid on any Showmanship Classes. Market animals sold in the Livestock Premium Auction will only receive the premium from the Auction.
8. Each exhibitor is responsible for feeding and care of their exhibit. Exhibitors must provide their own bedding (sand will be provided for cattle if needed) and their own watering and feeding equipment. Exhibitor must keep stalls, bedding and camping area clean. Failure to do this will result in forfeiture of premium money.
9. Only immediate family members and junior leaders may assist in fitting and grooming. However, the family members and junior leaders should insist that the project member does all he or she is capable of doing. Guidance and supervisory instruction are encouraged. No professional fitting will be allowed.
10. Livestock exhibited at the county fair can be either purebred or commercial. All registered breeding animals must have original registration papers in the sole name of the exhibitor prior to June 15.
11. To exhibit at the State Fair, all market steers, lambs, hogs & goats must have DNA collected and an official ear tags, plus \$8.00 nomination fee per animal. Nominations for steers are due May 1 and nominations for lambs, market hogs & meat goats are due June 15. State Fair 4-H entry deadlines are: July 15 - beef, sheep & swine; August 1 – horse, and August 15 - all other State Fair exhibits.
GENERAL HEALTH REQUIREMENTS, WITHDRAWAL TIMES FOR HEALTH AIDS, GROWTH PROMOTANTS, AND OTHER APPROVED MATERIALS: Exhibitors, their parents, leaders and instructors have a serious responsibility to use animal health aids (drugs), growth promotants, and any other approved materials with great care. Approved withdrawal times are set and must be followed to assure a safe meat supply. Non-approved substances should not be used.
12. Any exhibitor, found to have tampered with or who inhumanely abuses an animal will be barred from showing and will forfeit any premium, ribbon or prize won.
13. All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Once all livestock has been checked in, the fair veterinarian will conduct a walk through checking the health of all animals. Any animal not passing inspection will be asked to leave the fair grounds.
14. No early release of any projects, prizes and premium will be forfeited.

4-H/FFA MARKET LIVESTOCK SALE 2017

Livestock Sale order: Beef, Swine, Sheep & Goats

Grand & Reserve Champion Beef

Grand & Reserve Champion Swine

Grand & Reserve Champion Sheep

Grand & Reserve Champion Goat

Division Champions & Reserve Champion followed by class placing.

RULES

1. 4-H and FFA members are limited to sell one market animal. All animals sold in the sale must have been exhibited.
2. In order for an exhibitor to sell an animal in the livestock premium auction, they must show that species in showmanship.
3. Members selling animals during the sale must turn in a "Sale Intentions Form" to the Fair Office, thirty minutes following the conclusion of the beef show.
4. Members selling an animal through the premium auction must dress in appropriate show ring attire according to show guidelines.
5. No Market Steer weighing less than 1,000 lbs. will be sold. No Market Hogs weighing under 220 will be sold through the premium auction. No Market Lamb that weighs less than 100 lbs. or more than 150lbs. will be sold. No Market Goat under 60 lbs. will be sold.
6. A 4-H animal sold at public auction or privately, whether for immediate or future delivery cannot, from the time of such sale, be shown by the seller or buyer in any Kansas 4-H show. This policy also applies to those animals which have gone through a premium auction whether or not ownership has changed. This rule applies to Breeding Sheep sold through a premium auction as a Market Lamb the previous year.
7. The Reserve Grand Champion can bring more premium money than the Grand Champion; however the purple & blue ribbon animals can't bring more than the average of the Grand and Reserve Champion. The red ribbon animals can't bring more than the average of the blue ribbons and the white ribbons can't bring more than the average of the red ribbons.
8. A fee of \$20.00 will be withheld for each animal sold through the 4-H/FFA Livestock Sale. Beef, Sheep and Swine check-off fees will also be charged. Check-off fees will be assessed at the rate of \$1.00 for Beef, \$0.65 for Swine and \$0.25 for Sheep.
9. Beef, Sheep, Swine and Goats – A floor bid is received for each species from an area livestock buyer and will be posted on sale day. Example floor bids might be \$0.45 per pound for hogs and \$0.72 per pound for sheep.
10. Buyer of the premium has first option to purchase the animal at the floor price. If the premium buyer does not want the animal it will be made available to the first person to raise their buyer number. If no one wants the animal for consumption it will go to floor buyer. In all cases the animal will sell.
11. Payment to be made the day of sale.

4-H ENERGY MANAGEMENT (ELECTRIC) - DEPARTMENT O

Superintendent..... Mike Suchsland

AWARDS/PREMIUMS:

BASIC: Purple -- \$4.00 Blue -- \$3.00 Red -- \$2.00 White -- \$1.50

GUIDELINES

- 1 READ GENERAL RULES.
- 2 This division is intended to show the principles of electricity learned and applied by exhibitors.
- 3 Article should be cleaned before exhibiting if it has been used.
- 4 A sheet of operating instructions must be furnished for any exhibit not self-explanatory.
- 5 Exhibit shall be operable. If battery power is required, batteries shall be included as part of exhibit.
- 6 No hand dipped solder may be used on exhibits.

ELECTRICAL AND ELECTRONICS

- Class 4600 AC Electric Projects. Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have access to examine the quality of workmanship.
- Class 4601 DC Electric Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered project. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must work with

batteries supplied by 4-H'er. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 4602 Electronics Projects. Electronic Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 4603 Educational Displays and Exhibits. The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e. Exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3' x 4'.

SMALL ENGINES

All exhibits should involve engines smaller than 20 horsepower for classes 4610-4621 Displays are limited to 4' wide and 4' deep - both upright and floor displays.

Class 4610 - DISPLAY - Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; OR 2) a display identifying and explaining the function(s) of different special tools needed for small engine work; OR 3) a display illustrating and providing the results of any one of experiments that are included in the project books. Maximum tri-fold size is 3' x 4'.

Class 4611 - MAINTENANCE - Exhibit a display that illustrates either 1) Routine maintenance procedures OR 2) Diagnosing & troubleshooting specific problems in an engine, using a maximum tri-fold size of 3' x 4'.

Class 4612 - OPERATION - Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold size is 3' x 4'.

WIND ENERGY

All exhibits in this division are limited in size to standard, tri-fold, display boards (36" X 48") and items may not extend beyond 12" from the back board. All displays must be self-standing.

Class 4620 - EDUCATIONAL DISPLAY

Class 4621 - EXPERIMENT - Display an experiment addressing a problem or question related to wind power as a renewable energy source.

ENTOMOLOGY - DEPARTMENT P

Superintendent.....Candy Krafft

AWARDS/PREMIUMS:

Purple -- \$2.00 Blue -- \$1.75 Red -- \$1.50 White -- \$1.00

GUIDELINES

1. READ GENERAL RULES.
2. An introductory phase was created for young, budding bug watchers and collectors. (first year members only)
3. All entries should be submitted in a 18x24x3.5 inch wooden display box with a clear plastic top. Boxes can be handmade or purchased as long as they are of the correct size and do not have a glass top.
4. During the transition, Orders and Family names should follow the taxonomy either
 - a "Insects in Kansas" book or
 - B "Insects in Kansas Book: 2016 Revised Taxonomy" which follows www.bugguide.net.

Project members are encouraged to progress towards option b by 2019.

5. Each exhibitor is required to identify each box with two identification labels bearing the exhibitor's name, county or district and the class and statement of taxonomy used. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in box so it can be displayed lengthwise.
6. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only adult specimens can be used in collection boxes; however, one female and one male of a species correctly identified can be displayed.
7. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Arrangements that run lengthwise of the box are frequently downgraded in judging. Specimens are to be arranged by Order in the box, then family where required. The sequence arrangement of the Orders in the box will be left up to the member. It is suggested

to put the Lepidoptera and Coleoptera in the center of the collection (for Intermediate and Advanced Classes to put these two orders in a box). Then work the other orders around them.

8. For each collection class, two labels will be centered by a pin beneath each specimen. First (closest to specimen) is the common name label and the second label should include date/locality label. Full county name, state abbreviation and collector name on the second label are encouraged for 2016 and will be required by 2019 at the State Fair. Collector's name on the date/locality label is optional.
9. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Other specimens from the United States may be included as long as they are properly labeled and placed in a separate section of the box labeled "Out of State Insects". These specimens will not be included in the county for judging/scoring. Emphasis in judging will be placed on the overall variety of insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens, and overall arrangement and appearance of the collection.
10. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
11. Specimens of soft bodied insects such as aphids, lice, termites, etc. Should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.
12. EDUCATIONAL CLASSES - Educational displays are to be exhibited in one standard size insect box and identified by use of an identification label as discussed as above. It is to include the exhibitor's name, county, and class. Information on numbers and kinds of insects is not needed for educational exhibits. Displays may consist of specialized groups of insects, or relate to any aspect of insect life. Displays should be presented in a clear, concise, and interesting manner.
 - A. Educational classes are limited to one standard box, a maximum of 150 specimens, and work performed during the current year. Title of the exhibit should be indicated inside the box.
 - B. Purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc. of insects and related arthropods. Subject matter can be as varied as the insects themselves.

***Class 4899 INTRODUCTORY ENTOMOLOGY (first year members only)**

Insect collection, at least 6 orders, including 15 to 30 species shown in two cigar boxes & grouped according to order. Insect names are not necessary on individual specimens but date-locality labels are required.

Class 4900 BEGINNING I ENTOMOLOGY COLLECTION

Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 4901 BEGINNING II ENTOMOLOGY COLLECTION

Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 4903 INTERMEDIATE ENTOMOLOGY COLLECTION

Display a minimum of 100, maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders: (only two will be counted for judging) a) "Insects in Kansas" book – Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or b) "Insects in Kansas Book: 2016 Revised Taxonomy", which follows [www. Bugguide.net](http://www.bugguide.net) – Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera

Class 4905 ADVANCED ENTOMOLOGY COLLECTION

Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year.

Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4 H membership.

NOTEBOOK CLASSES

General Guidelines

1. Individual entries are to be placed in a three-ring notebook.
2. During the transition, Orders & Family names should follow the taxonomy either
 - a. As printed in "insects in Kansas" book or
 - b. As printed on the Insects in Kansas Book:2016 Revised Taxonomy", which follow [www. Bugguide.net](http://www.Bugguide.net).
3. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor's name, county or district and class 4-H'er is enrolled in and statement of taxonomy used.. The number of orders, specimens and families (required in Intermediate and Advanced classes) must also be included on the Title Page.
4. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
5. Date, common name, full county name, state abbreviation and collector name should be included for each species.
6. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
7. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page and also on the front of the divider page.
8. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
9. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.

Class 4907 INTRODUCTORY ENTOMOLOGY NOTEBOOK

Display a minimum of 10 and a maximum of 30 insect species representing at least six different orders. Follow the general guidelines listed for Notebooks. A 4-Her may exhibit in this class for a maximum of two years.

Class 4908 BEGINNING ENTOMOLOGY NOTEBOOK

Display a minimum of 20 and a maximum of 60 insect species representing at least seven different orders. Follow the general guidelines listed for all Notebooks. A 4-Her may exhibit in this class for a maximum of three years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 4909 INTERMEDIATE ENTOMOLOGY NOTEBOOK

Display a minimum of 60 and a maximum of 100 species representing at least nine orders. Follow the general guidelines listed for Notebooks. Pictures in any two of the following six orders should be identified to family: Orthoptera, Hemiptera, Odonata Coleoptera, Diptera, and/or Hymenoptera. A 4-Her may exhibit in this class for a maximum of three years.

Class 4910 ADVANCED ENTOMOLOGY NOTEBOOK

Display a minimum of 100 and a maximum of 200 species representing at least twelve orders. Follow the general rules listed for Notebooks. In addition, family identification is required for all insects in the following six orders: Orthoptera, Hemiptera, Odonata, Coleoptera, Diptera, and Hymenoptera. Family identification in the remaining orders is optional, but desirable as long as accuracy is maintained. as they remain eligible for 4-H membership.

EDUCATIONAL DISPLAY CLASSES

General Guidelines

1. All entries should be submitted in an 18 x 24 x 3.5 inch wooden display box with a clear plastic top. Boxes can be handmade or purchased as long as they are of the correct size and do not have a glass top.
2. Information on numbers and kinds of insects is not needed for educational exhibits.
3. Displays may consist of specialized groups of insects or their close relatives, or relate to any aspect of their behavior, biology or ecology.
4. Displays should be presented in a clear, concise, and interesting manner.
5. Displays should include only work performed during the current year.
6. Title of the exhibit should be indicated inside the box.
7. The purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc. of insects and related arthropods. Subject matter can be as varied as the animals themselves.
8. Creativity is encouraged!

Class 4902 BEGINNING EDUCATIONAL DISPLAY

A 4-Her may enroll in this class if enrolled in Beginning I or II Collection/Notebook classes or if age 9-12. Follow the general rules listed for the Educational displays.

Class 4904 INTERMEDIATE EDUCATIONAL DISPLAY

A 4-Her may enroll in this class if enrolled in Intermediate Collection/Notebook classes or if age 11-14. Follow the general rules listed for the Educational displays.

Class 4906 ADVANCED EDUCATIONAL DISPLAY

A 4-Her may enroll in this class if enrolled in Advanced Collection classes or if age 13 or older. Follow the general rules listed for the Educational displays.

FIBER ARTS - DEPARTMENT Q

Superintendent..... Sally Brandon

AWARDS/PREMIUMS:

Purple -- \$4.00 Blue -- \$3.00 Red -- \$2.00 White -- \$1.50

GUIDELINES

- 1 READ GENERAL RULES.
- 2 Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn. This may include: making fabric (such as weaving, crochet, knitting, needlepoint); or when existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art.) Ethnic Fiber Arts should use a fiber, yarn or fabric to create the design exhibit. Non-textile (examples include wood reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division
- 3 Identification Label:
 - a. Type or print on a 3"x2 1/2" piece of cloth class number, county or district, and exhibitor's name.
 - b. Sew or safety pin this ID label on the corner of flat articles;
 - c. For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garments.
- 4 All articles/garments must be finished for use.
- 5 When articles which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
- 6 Special consideration will be given to articles which are of original design. Such articles should have a note attached explaining the original design.
7. Attach an index card, no larger than 3" x 5", to give the judge any information on what parts of the exhibit they made, processes used, or other information which may be helpful for the judge. Indicate if item was made from a kit. For ALL items, indicate fiber content. For quilted items indicate who did the quilting and binding.
- 8 Fiber Arts Educational Notebook - Share what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-tos, photographs of completed projects, or other ways of educating others about fiber arts. Follow copyright laws. Name, local unit and fiber art covered must be clearly marked in the notebook.
- 9 Each exhibitor is limited to 6 exhibits.

Class 4111 – Crochet, an article, including felted items. See # 7 above

Class 4112 – Knitting, an article made either by hand or by knitting machine, including felted items See # 7 above

Class 4113 – Needle Arts, an article created by hand using a) embroidery/cross-stitch; b) needlepoint; c) candle wicking; d) crewel; e) lacework; f) appliqué.

Class 4114 – Patchwork or Quilted article-It is an acceptable practice for the exhibitor to create the patchwork or quilted article and have someone else quilt it, see # 7 above.

Class 4115 – Rug Making, a rug – braiding, latch hook, tying, floor cloth, etc. The finished product should be an item that would be used in the home.

Class 4116 – Spinning, a skein – minimum 10 yards in length.

Class 4117 – Weaving, a woven article – attach information about type of loom/process used, see # 7 above Woven wood reed basket, should be exhibited in Visual Arts.

Class 4118 – Ethnic Arts, an article. A Fiber Art/textile technique associated with a specific country/culture. It is a practical skill developed to provide basic family needs such as apparel, home furnishings or decorations; also defined as a method that has been maintained throughout history and passed on to others, often by observation and by example such as batik, Swedish huck towel weaving, mud cloth, bobbin weaving, tating, felted items that are not knitted or crocheted, etc. Attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, short description of the technique, etc. See # 7 above.

Class 4119 – Macramé, an article.

Class 4120 – Fiber Arts Notebook

- 2 Recommended recipes and processing methods must be used. Recipes must be from 1995-present. Processing methods that will be disqualified include: open kettle canning, over canning, and sun canning. Untested recipes will be disqualified for food safety reasons. Recommended recipe resources include: K-State Research and Extension Food Preservation publications, USDA Complete Guide to Home Canning, So Easy to Preserve, 6th edition, Ball Blue book Guide to Preserving, Ball Complete Book of Home Preserving, Canning mixes, (i.e, Mrs. Wages, Ball), Pectin manufacturers (i.e. SureJell, Ball), <http://www.rrc.k-state.edu/preservation/recipes.html>. Refer to the following K-State Research and Extension publications for more information:
 , 4H712, "Food Safety Recommendations for Acceptable Fair Exhibits"
 MF3170 "10 Tips for Safe Home Canned Food"
 MF3171 "Sassy Safe Salsa at Home"
 MF3172 "What's Your Elevation?"
 MF 3241 "How to Guide to Water Bath Canning and Steam Canning"
 MF 3242 "How to Guide to Pressure Canning"
- 3 Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified.
- 4 Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be lowered on ribbon placing. Recipe must include exhibitor name, recipe source, date of publication and altitude of residence.
- 5 Exhibits must be sealed in clean clear standard canning jars with matching brand (use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two-piece lids. Do not use colored jars. Do not add fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. Jars must be sealed when entered. Jars will not be opened for judging. For food safety reasons, the size of jars used must not be larger than the jar size state in the recipe. Note: There are now 12-ounce and 24-ounce jars available and may be used. Use pint jar process recommendations for 12 ounce jars. Use quart jar process recommendations for 24 ounce jars.
- 6 Each jar exhibited must be labeled. The label must not cover the brand name of jar. The label must give: Class No, Product, Altitude of Residence, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), date processed including month and year, Name, and County/District. Templates to make adhesive labels can be found at: <http://www.kansas4-h.org/p.aspx?tabid=46> Labels are also available at the Extension Office.
- 7 Hole punch entry card & use a rubber band to attach the entry card and recipe around top of jar.
- 8 It is advisable to bring an extra jar to be used in case of breakage. This jar should be labeled "extra".

AWARDS/PREMIUMS:

Purple -- \$3.00 Blue -- \$2.00 Red -- \$1.50 White -- \$1.00

GUIDELINES

1. READ GENERAL RULES.
2. All leaf exhibits are to be mounted on 8 1/2" x 11" heavy stock paper and placed in loose-leaf binders. (Magnetic or adhesive filler sheets for photographic prints are recommended.) Twigs and fruit collections may be exhibited in whatever manner the exhibitor chooses (maximum exhibit size 2' x 3').
3. Name, club, age, and year in project should be on front cover.
4. Leaves should be identified near the leaf on the same page. These labels should include (1) common name as listed in the 4-H Bulletin 334 List of Native Kansas Forest Trees; (2) location (city/county) where collected; and (3) date collected.
5. Divide specimens into the following two sections: Native Kansas Trees and Non-Native Trees.
6. In all leaf collections, exhibit one complete leaf where possible, where leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf & illustrate where exhibited portion comes from.

Class 5100 – Beginning: Exhibit leaves of a minimum of 10 different native Kansas trees. (Leaf Specimens only). Can include non-native specimens in addition to the required native Kansas tree specimens.

Class 5101 - Intermediate: Exhibit leaves of a minimum of 20 (includes at least 10 new in addition to those previously exhibited) different native Kansas trees (Leaf Specimens only.) Can exhibit non-native in addition to native Kansas trees.

Class 5102 – Senior: Exhibit leaves of a min. of 25 (with at least 5 new in addition to those previously exhibited) different native Kansas trees or leaf, twig, and fruit of 10 different trees. Can exhibit non-native Kansas trees.

Class 5103 - Advanced - Exhibit leaves of a minimum of 40 (includes at least 20 new specimens) different native Kansas trees, or leaf, twig, and fruit of 20 different trees (includes 10 new plus those from previous exhibits). Can exhibit non-native in addition to the required native Kansas trees.

Class 5104 - How a Tree Grows - Project notebook with 10 or more seeds collected and pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibit an illustration of how a tree grows.

Class 5105 - Tree Appreciation - A research or reporting notebook with no more than 10 pgs. based on the exhibitor's selected tree. May include sketches, drawings, pictures, a story, or any other things which will help tell about the tree selected.

GEOLOGY - DEPARTMENT T

Superintendent..... Tony Imm
Assistant Superintendent Anthony Imm

AWARDS/PREMIUMS:

Purple -- \$3.00 Blue -- \$2.50 Red -- \$2.00 White -- \$1.50

GUIDELINES

1. READ GENERAL RULES.
2. All entries will be placed in standard Plexi-glass covered wooden boxes with outside measurements of 18" x 24" x 3 1/2". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep. Screws, locks, or other devices that would prevent judges from removing Plexi-glass cover should not be used.
3. Identify each display box by placing an identification label with name, county, and number of specimens in the upper left-hand corner of the Plexi-glass cover (inside - use clear double-sided tape to adhere gummed labels) and by attaching a label with the same information on the lower right corner of the box (outside). The inside label also indicates the class number.
4. Geology specimens shall be labeled with the number of specimens, date collected, specimen name or description, and locality (county) where collected.
5. Mount specimens in the box by the proper groups/rocks-minerals-fossils.
6. For geology classes 5200, 5201 and 5202, all specimens must be collected (not purchased) from locations in Kansas. Out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

*Class 309- Introductory phase was created for young geology collectors. Suggested ages: 7-9 or interested beginners any age.

1. Years in class: 2 maximum.

2. Display box: cardboard flat, covered with clear plastic wrap to protect the specimens.

3. Display at least 9 (3 rocks, 3 minerals, 3 fossils to 15 maximum.)

4. Labels: Date-locality labels required on each specimen.

Class 5200- Display at least 15 rocks, minerals or fossils. Limited to one exhibit box.

Those exhibiting at the State Fair for the first time may enter this class.

Fossils must be identified to Phylum level.

- Class 5201- Display at least 30 rocks, minerals, or fossils, at least five of each.
Limited one exhibit box. Fossils must be identified to Phylum level.
- Class 5202- Display at least 45 rocks, minerals or fossils, at least 5 of each. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction. (E.g, Fort Hays limestone, not just limestone, exact species must have different formation names listed on the I.D. card; Composita Brachiopoda from Morrill Limestone not just Brachiopoda or Composita Brachiopoda). Exhibit limited to two boxes. Exhibit must include approximately 15 specimens of current year's work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum level.
- Class 5203- Display at least 60 rocks, minerals, or fossils, at least 5 of each. See class 5202 for additional information. Also identify class and Genus levels if possible.
- Class 5204 - Educational Exhibit
- Class 5205 - Mineralogy. Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. Grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). Specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO₃ for calcite) if known

NOTEBOOKS AND POSTERS - DEPARTMENT Y

- Superintendent..... Sue Kipp

AWARDS/PREMIUMS:

Purple -- \$3.00 Blue -- \$2.00 Red -- \$1.50 White -- \$1.00

GUIDELINES

- 1 READ GENERAL RULES.
- 2 Entries may be by club or individual and must represent a project carried by the club or individual.
- 3 Scrapbooks should place more emphasis on what one individual has done in the project -- not just a lot of literature pasted in a book, which doesn't tell the judges about the exhibitor.
- 4 All entries must be the current years' work. Past years work may be included in the entry, but designated by years in a separate section.
- 5 Notebooks and Displays will be judged on the following points:
 - 1). Stopping Power 15
Is the main idea specific? Is the idea presented clearly, simply, forcefully?
 - 2). Interest, Holding Power 15
Does the exhibit give the observer additional facts in a clear, concise, informative way?
 - 3) 4-H Project Application.....15
Is the subject matter an effective showcase?
 - 4) Mechanical Power 15
Correct letter size, pleasing color combination, appropriate symbols, and models
 - 5). Personal Growth25
How much knowledge was gained by exhibitor? Was enthusiasm shown?
 - 6). Educational Value25
Knowledge Shared. Note: Credit all citations, websites or other resources used in creating your exhibit.

- 6 Posters will be judged on the following points:
- | | |
|--------------------------|----|
| General Appearance | 30 |
| Information | 50 |
| Organization | 20 |
