GENERAL RULES

1. The Executive Committee of the Phillips County Fair Assoc. reserves the right to interpret these rules and regulations and arbitrarily settle all questions arising in connection with the Fair that shall be held under the management of this board.

2. The management reserves the right to amend or add to these rules as they, in their judgment, deem advisable, should a conflict of general and/or specified rules arise.

3. Any person who violates any general and/or special rule may, in the discretion of the Executive Committee, be subject to such penalty as the Executive Committee may determine, up to and including the forfeiture of all privileges and premiums.

4. Any person having a complaint shall submit such complaint to the Grievance Committee, which is composed of the following members: The President and Vice President of the 4-H Council, a 4-H Council Advisor, the FFA Presidents and Advisors, and the President, Vice President and Secretary of the Fair Board. Additionally, the Phillips County Extension Agents shall serve on the Grievance Committee in an advisory capacity. Submit all grievances, in writing, to the County Extension Office. The grievance must be signed. Identify who the grievance is against and those persons knowledgeable about the issues. The grievance will be provided to all individuals involved. The grievance will be reviewed within 24 hours. If the grievance is submitted at a time, not during the Fair, the County Extension Agent will determine the time to review the grievance.

5. All 4-H/FFA fair pre-Entries must be submitted online. Clothing & Textile/Fashion Revue entries close at 11:59 p.m. on July 6. All other 4-H/FFA entries close at 11:59 p.m. on July 15. Entries submitted after deadline will forfeit all awards and premium monies. If deadline falls on a weekend, the following Monday will be observed.

6. Any individual may exhibit in open class competition but only members of 4-H clubs and FFA Chapters from Phillips County may exhibit in 4-H and FFA classes. Phillips County FFA Chapters are Logan FFA and Phillipsburg FFA. High School Family & Consumer Science students in Phillips County are eligible for Family and Consumer Science Divisions. Only those individuals who are registered members of the Phillips County Boy Scouts and Girl Scouts can enter in the Scout division. The SAME PROJECT (Ex. - bucket calf, cat, dog, etc.) CANNOT BE SHOWN IN BOTH 4-H/FFA AND OPEN CLASS AT THE PHILLIPS COUNTY FAIR.

7. FFA members are eligible to enter beef, sheep, swine, meat goats, dairy cattle, dairy goats, horse, poultry, crops, horticulture, and rabbits.

8. Age requirements for the 4-H and FFA division – only County 4-H members who were 7 years of age but not yet 19 years of age as of January 1 of the current year are eligible to compete in this division. FFA members are eligible to compete in this division during high school and the summer following high school graduation. Those 4-H members who are 5 years of age as of January 1 but who have not had their 7th birthday by January 1 of the current year are Cloverbud 4-H members.

9. 4-H Cloverbud members may show their project in the Cloverbud class only. They will be awarded Cloverbud Awards only. No trophies or prize money will be awarded to them.

10. All 4-H exhibits shall be checked in and judged according to the schedule beginning at 8:00 a.m. Friday. All Livestock must be in place by 6:00 p.m. Friday evening. All exhibits must remain in place until 7:00 a.m. Tuesday, except all booths will be taken down on Monday evening starting at 8:00 p.m. Exhibitors will forfeit premium if exhibits are removed early. At the close of fair, all exhibits are to be claimed by the exhibitor or parties representing the exhibitor. Those in charge assume no responsibility for exhibits left on the fairground after the close of the fair.

11. Exhibits at the Phillips County Fair are entered and displayed at the risk of the exhibitor. The Phillips County Fair Association or K-State Research and Extension accepts exhibits and will exercise due care to protect them. 4-H or FFA members who have exhibits of great sentimental and/or monetary value should carefully consider whether such exhibits should be exposed to the hazards of the fair.

12. All classes, except livestock, visual arts, clothing, fiber arts, photography, self-prepared, woodwork, horticulture, and foods, are limited to one exhibit per class.

13. The exhibits must be the handiwork of the exhibitor. Exhibits must be the result of work accomplished during the current project year.

14. Anyone wishing to exhibit in a class that is not listed contact the Extension Office for permission to set up a special class, by the Friday before the Fair.

15. All Open Class exhibits will abide by 4-H and FFA rules unless otherwise stated.

16. All protests regarding a judge’s decision shall be made to the Superintendent of the project/event in writing within 30 minutes of the judge’s decision along with a ten-dollar deposit which will be forfeited if the protest is not sustained. Said protest shall state plainly the cause of complaint or appeal. All decisions by the Superintendent are final, subject only to review by the Grievance Committee.

17. No alcoholic liquor, cereal malt beverages, or controlled substances permitted on Fairground premises. Violators subject to penalties, as defined in the Kansas Statutes Annotated. Violating exhibitors will be disqualified and forfeit premiums.

18. 4-H members staying overnight must have adult supervision through the night.

19. No open fires on the Fairground premises.

20. No ATVs permitted on the fairgrounds except for commercial use.

21. 4-H/FFA exhibits are judged using the Danish system.

22. A Purple/Blue ribbon must be awarded in livestock and horse classes to receive donated award. All other exhibits must be awarded a Purple ribbon to receive donated award.

23. Purple ribbons will be given for exceptional work by individuals and are eligible for State Fair if they meet requirements for classes at the State Fair.

24. 4-H and FFA starred classes cannot be exhibited at the State Fair.

25. Age requirements for State Contests are 9 through 18 years old as of January 1 of the current year.

Junior, 7-9-year-old Intermediate, 10-13-year-old Senior, 14 and older.
GENERAL LIVESTOCK RULES

1. **READ GENERAL RULES**

2. Complete stall card for each animal to be exhibited. Stall cards available at Fair Office on the day of check-in.

3. All Market animals must be ear tagged with official 4-H tags and recorded in the Extension office by May 1. All breeding animals, bucket calves and bottle lambs must also be recorded in the Extension office by May 1. They must be tagged with a 4-H tag, herd tag or tattoo.

4. All tag numbers turned in on May 1 to the Extension Office must correspond to the tag number and animal turned in at pre-entry and brought to the fair.

5. Livestock must be owned or co-owned by the exhibitors at the time of exhibiting. Exhibitors should accompany their livestock exhibits and care for them. Livestock exhibitors must be on hand to exhibit their entries. No adult may assist with the showing of an animal. All adults must remain outside the show ring while livestock is being judged. Only the superintendents, judge, and exhibitor will be allowed in the ring. For livestock of wild nature, superintendents must decide whether it is reasonably safe for the animal to enter the ring.

6. Exhibitors, except for Open Class, of beef, swine, sheep, and goats shall weigh their animals at the fairgrounds to facilitate the animals being placed in the correct weight class. All market animals will be allowed to weigh one time only. Any objection about the weight of an animal must be made by the exhibitor at the time of entry. The exhibitor has no right at a later time to ask for re-weighting.

7. An exhibitor’s first two animals in each division (market and/or breeding of beef, sheep, swine, dairy, and goats) will be eligible to receive a livestock premium, except for Open Class Livestock. (Example: 2 market and/or 2 breeding in each species). A maximum of 4 premiums per species. No premiums will be paid on any Showmanship Classes. Market animals sold in the Livestock Premium Auction will only receive the premium from the Auction.

8. Each exhibitor is responsible for feeding and care of their exhibit. Exhibitors must provide their own bedding (sand will be provided for cattle if needed) and their own watering and feeding equipment. Exhibitor must keep stalls, bedding, and camping area clean. Failure to do this will result in forfeiture of premium money.

9. Only immediate family members and junior leaders may assist in fitting and grooming. However, the family members and junior leaders should insist that the project member does all he or she is capable of doing. Guidance and supervisory instruction are encouraged. No professional fitting will be allowed.

10. Livestock exhibited at the county fair can be either purebred or commercial. All registered breeding animals must have original registration papers in the sole name of the exhibitor prior to June 15.

11. To exhibit at the State Fair, all market steers, lambs, hogs & goats must have DNA collected and official ear tags, plus $8.00 nomination fee per animal. Nominations for steers are due May 1 and nominations for lambs, market hogs & meat goats are due June 15. State Fair 4-H entry deadlines are July 15 - beef, sheep & swine; August 1 – horse, and August 15 - all other State Fair exhibits.

**GENERAL HEALTH REQUIREMENTS, WITHDRAWAL TIMES FOR HEALTH AIDS, GROWTH PROMOTANTS, AND OTHER APPROVED MATERIALS:** Exhibitors, their parents, leaders, and instructors have a serious responsibility to use animal health aids (drugs), growth promotants, and any other approved materials with great care. Approved withdrawal times are set and must be followed to assure a safe meat supply. Non-approved substances should not be used.

12. Any exhibitor, found to have tampered with or who inhumanely abuses an animal will be barred from showing and will forfeit any premium, ribbon or prize won.

13. All animals are subject to examination by the exhibition staff or their representatives and shall be free of clinical signs of infectious or contagious disease. Once all livestock has been checked in, the fair veterinarian will conduct a walk through checking the health of all animals. Any animal not passing inspection will be asked to leave the fairgrounds.

14. No early release of any projects, or prizes, and premium will be forfeited.
RULES
1. 4-H and FFA members are limited to sell one market animal. All animals sold in the sale must have been exhibited.
2. For an exhibitor to sell an animal in the livestock premium auction, they must show that species in showmanship.
3. Members selling animals during the sale must turn in a “Sale Intentions Form” to the Fair Office, thirty minutes following the conclusion of the beef show.
4. Members selling an animal through the premium auction must dress in appropriate show ring attire according to show guidelines.
5. No Market Steer weighing less than 1,000 lbs. will be sold. No Market Hogs weighing under 220 will be sold through the premium auction. No Market Lamb that weighs less than 100 lbs. will be sold. No Market Goat under 60 lbs. will be sold.
6. A 4-H animal sold at public auction or privately, whether for immediate or future delivery cannot, from the time of such sale, be shown by the seller or buyer in any Kansas 4-H show. This policy also applies to those animals which have gone through a premium auction whether or not ownership has changed. This rule applies to Breeding Sheep sold through a premium auction as a Market Lamb the previous year.
7. The Reserve Grand Champion can bring more premium money than the Grand Champion; however, the purple & blue-ribbon animals can’t bring more than the average of the Grand and Reserve Champion. The red ribbon animals can’t bring more than the average of the blue ribbons and the white ribbons can’t bring more than the average of the red ribbons.
8. A fee of $20.00 will be withheld for each animal sold through the 4-H/FFA Livestock Sale. Beef, Sheep, and Swine check-off fees will also be charged. Check-off fees will be assessed at the rate of $1.00 for Beef, $0.65 for Swine and $0.25 for Sheep.
9. Beef, Sheep, Swine, and Goats – A floor bid received for each species from an area livestock buyer will be posted on sale day. Example floor bids might be $0.45 per pound for hogs and $0.72 per pound for sheep.
10. The buyer of the premium has first option to purchase the animal at the floor price. If the premium buyer does not want the animal, it will be made available to the first person to raise their buyer number. If no one wants the animal for consumption it will go to floor buyer. In all cases, the animal will sell.
11. Payment to be made the day of sale.

DOG CARE

Ribbon Groups: Purple…95-100 points Blue…90-94.5 points Red…80-89.5 points White…79.5 points or less

Class 2401 - All 4-H members of Phillips County who are 9-18 years of age and their dog, who have met county qualification receiving a qualifying blue or purple in showmanship, obedience, or agility can compete in the State 4-H Dog Show.

Showmanship competition judged on the fitting of the dog; clean and well brushed, tone and condition of coat, healthy appearance, grace and ease, coordination with dog and reaction of the dog to the handler with straight and even gait and movement of the dog.

Ribbon Groups: Purple...190-200 points Blue...170-189.5 points Red...150-169.5 points White...149.5 points or less

Class 3600 - Junior Showmanship
Class 3602 – Intermediate Showmanship
Class 3605 – Senior Showmanship

Obedience Competition (refer to Kansas Dog show rule book for guidelines)
Displays are limited to 4’ wide and 4’ deep - both upright and floor displays.

**Guidelines**

1. **Read General Rules.**
2. This division is intended to show the principles of electricity learned and applied by exhibitors.
3. The article should be cleaned before exhibiting if it has been used.
4. A sheet of operating instructions must be furnished for any exhibit not self-explanatory.
5. The exhibit shall be operable. If battery power is required, batteries shall be included as part of the exhibit.
6. No hand dipped solder may be used on exhibits.

**Electrical and Electronics**

Class 4600 - AC Electric Projects. Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have access to examine the quality of workmanship.

Class 4601 - DC Electric Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered project. Examples include wiring two or three-way switches, the difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must work with batteries supplied by 4-H’er. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 4602 - Electronics Projects. Electronic Projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using a printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 4603 - Educational Displays and Exhibits. The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e. Exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3’ x 4’.

**Small Engines**

All exhibits should involve engines smaller than 20 horsepower for classes 4610-4621. Displays are limited to 4’ wide and 4’ deep - both upright and floor displays.
Class 4610 - DISPLAY - Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; OR 2) a display identifying and explaining the function(s) of different special tools needed for small engine work; OR 3) a display illustrating and providing the results of any of experiments that are included in the project books. Maximum tri-fold size is 3' x 4'.

Class 4611 - MAINTENANCE - Exhibit a display that illustrates either 1) Routine maintenance procedures OR 2) Diagnosing & troubleshooting specific problems in an engine, using a maximum tri-fold size of 3' x 4'.

Class 4612 - OPERATION - Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold size is 3' x 4'.

ALTERNATIVE ENERGY
(A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves) All exhibits in this division are limited in size to standard, tri-fold, display boards (36" X 48") and items may not extend beyond 12’ from the backboard. All displays must be self-standing.

Class 4620 - EDUCATIONAL DISPLAY Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

Class 4621 - EXPERIMENT - Display an experiment addressing a problem or question related to wind power as a renewable energy source. Include hypothesis, background research, variables, a control data, findings, conclusions and recommendations for future study.

GUIDELINES
1. READ GENERAL RULES.
   1. All entries should be submitted in an 18 x 24 x 3.5-inch wooden display box with a clear plastic top (such as Plexiglas). Boxes can be handmade or purchased.
   2. During the transition, Orders & Family names should follow the taxonomy either as printed in “Insects in Kansas” book or as printed on the “Insects in Kansas Book: 2016 Revised Taxonomy,” which follows www.bugguide.net Project members are encouraged to progress towards second option by 2019 or as revised “Insects in Kansas” book is available.
   3. Each exhibitor is required to identify each box with two identification labels bearing Exhibitor’s name, county or district, the collection class 4-H'er is enrolled in and statement of taxonomy used: “Insects in Kansas” book or “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.
   4. The number of orders, specimens (and families where required) must be included on both of the exhibitor’s box identification labels. Only one adult insect per species can be used in the Collection Boxes and NoteBook Classes, unless labeled as male or female and correctly identified
   5. The arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Arrangements that run lengthwise of the box are frequently downgraded in judging. Specimens are to be arranged by Order in the box, then Family where required. The sequence arrangement of the Orders in the box will be left up to the member. It is suggested to put the Lepidoptera and Coleoptera in the center of the collection (for Intermediate and Advanced Classes to put these two orders in a box). Then work the other orders around them.
   6. For each collection class, two labels will be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation on the second label are required. Collector’s name on the date/locality label is optional.
   7. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Other specimens from the United States may be included as long as they are properly labeled and placed in a separate section of the box labeled “Out of State Insects”. These specimens will not be included in the count for judging/scoring. The emphasis in judging will be placed on the overall variety of insects represented in the collection, accuracy of identification, skill and technique acquired in the mounting of specimens, and overall arrangement and appearance of the collection.
8. Only specimens of the class Insecta should be included. This means specimens from arachnids, such as spiders, millipedes, centipedes, ticks, mites, etc. will not be judged or included in overall specimen county.

9. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.

10. Specimens of soft-bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol-filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

11. Points will be deducted from collections and notebooks if:
   a. Noninsects and out of state specimens are not in a designated ‘display only’ area.
   b. Any specimens are immature.

**Class 4999 - INTRODUCTORY ENTOMOLOGY (first-year members only)**
Insect collection, at least 6 orders, including 15 to 30 species shown in two cigar boxes & grouped according to order. Insect names are not necessary for individual specimens but date-locality labels are required. Does not go to State Fair.

**Class 4900 - BEGINNING I ENTOMOLOGY COLLECTION**
Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

**Class 4901 - BEGINNING II ENTOMOLOGY COLLECTION**
Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

**Class 4903 - INTERMEDIATE ENTOMOLOGY COLLECTION**
Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders:
   a. "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or
   b. "Insects in Kansas Book: 2016 Revised Taxonomy ", which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera

On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the front of one of the display boxes. Members can exhibit in this class a minimum of 3 years. A 4-Her may move up if they receive a purple ribbon.

**Class 4905 - ADVANCED ENTOMOLOGY COLLECTION**
Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

**NOTEBOOK CLASSES**

**General Guidelines**

1. Individual entries are to be placed for display in a three-ring notebook for competition. During the transition, Orders & Family names should follow the taxonomy either as printed in “Insects in Kansas” book or as printed on the “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net

2. 4-Hers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory phase. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitors name, county or district and class 4-H is enrolled in and statement of taxonomy used: “Insects in Kansas” book or “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net The number of orders, specimens, and families (required in Intermediate and Advanced classes) must also be included on the Title Page.

3. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.

4. Date, common name, full county name and state abbreviation should be included for each species. Collector’s name on the specimen page is optional.

5. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.

6. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.

7. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well on the front of the divider page.
8. For the Intermediate and Advanced classes, insects are also to be grouped by the family behind each order divider.

9. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in front of the notebook.

10. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.

11. Refer to the publication "Entomology Collection Notebook Guidelines" on the Kansas 4-H Entomology web page for more detailed rules for exhibiting.

Class 4907 - INTRODUCTORY ENTOMOLOGY NOTEBOOK
Display a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Follow the general guidelines listed for Notebooks, including the Special project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H member may exhibit in this class for a maximum of two years.

Class 4908 - BEGINNING ENTOMOLOGY NOTEBOOK
Display a minimum of 20 and a maximum of 60 insect species representing at least 7 different orders. Follow the general guidelines listed for all Notebooks, including the Special project. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 4909 - INTERMEDIATE ENTOMOLOGY NOTEBOOK
Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special project. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging)

a. "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or
b. "Insects in Kansas Book: 2016 Revised Taxonomy " which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera

Members can exhibit in this class a maximum of 3 years. A 4-H'er may move up if they receive a purple ribbon.

Class 4910 - ADVANCED ENTOMOLOGY NOTEBOOK
Display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including the Special project. Follow the general guidelines listed for Notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

EDUCATIONAL DISPLAY CLASSES

General Guidelines:
1. If the exhibit is a wooden display box, it must be 18 X24 X 3.5 inches with a clear plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22” X 28”.
2. If the exhibit is a display, maximum size is not to exceed a standard commercial 3’ X 4’ tri-fold display board.
3. Name and county/ district must clearly be marked on educational exhibits. Information on numbers and kinds of insects is not needed for educational exhibits.
4. Displays should include only work performed during the current year.
5. Displays should be presented in a clear, concise, and interesting manner.
6. The purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc. of insects and related arthropods. Subject matter can be as varied as the animals themselves.
7. Creativity is encouraged!

Class 4902 - BEGINNING EDUCATIONAL DISPLAY
Class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 9-12. Follow the general rules listed for the Educational displays.

Class 4904 - INTERMEDIATE EDUCATIONAL DISPLAY
Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11-14. Follow the general rules listed for the Educational displays.

Class 4906 - ADVANCED EDUCATIONAL DISPLAY
Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 or older. Follow the general rules listed for the Educational displays.

FIBER ARTS - DEPARTMENT Q
Superintendent: ................................................................. Sally Brandon

AWARDS/PREMIUMS:
Purple – $4.00  Blue – $3.00  Red – $2.00  White – $1.50

GUIDELINES:
1. READ GENERAL RULES.
2. Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn.
This may include: making fabric (such as weaving, crochet, knitting, needlepoint); or when the existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art.) Ethnic Fiber Arts should use a fiber, yarn or fabric to create the design exhibit. Non-textile (examples include wood reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.

### AWARDS/PREMIUMS:

- **Bake Sale Superintendent**
- **Superintendent**

### FOODS AND NUTRITION

7. Must exhibit standard size loaf.
6. **Pie**
5. Pie unfrosted, any flavor.
4. **Use Cupcake** (exhibitors may use any type, flavor, or kind of baked product in these categories).
3. **Cookies, muffin, biscuits, rolls, etc.** - 7 samples, same shape, same recipe (exhibitors may use any type, flavor, or kind of baked product in these categories).
2. **Muffin**
1. **Bread** – Must exhibit standard size loaf.

#### GUIDELINES

1. **READ GENERAL RULES.**
2. A non-perishable baked product is defined as: that can be removed from the pan should be placed on a plate, covered cardboard or disposable container. Exhibits should be in a food grade plastic bag, disposable plastic container or box. Only the exhibit is judged. The container is not judged. Do NOT use plastic wrap. **Food grade bags are available for purchase at the Extension Office.**
3. Carefully secure the entry tag and recipe to the outside of the wrapped exhibit. Exhibits will not require food stickers on the bottom of exhibit. Failure to follow above instructions will result in one placing lower than the placing determined by the official judge.
4. Exhibits should follow these guidelines:
   a. **Cookies, muffin, biscuits, rolls, etc.** - 7 samples, same shape, same recipe (exhibitors may use any type, flavor, or kind of baked product in these categories). Use Cupcake liners on cupcakes, do not use cupcake liners on muffins.
   b. **Cakes/Coffee Cake** – Include whole cake, may be 1 or more layers, frosted or unfrosted, any flavor.
   c. **Pie** – Exhibit whole pie in a disposable pie pan. No custard or cream pies, for food safety reasons.
   d. **Bread** – Must exhibit standard size loaf.

For this division, quick bread does NOT contain yeast. 4-H’ers are encouraged to use...
6 Layer cakes must be two or more complete layers and frosted.
7 All unfrosted cakes shall be exhibited in an upright position with top crust showing. Exception for cakes made with special designs such as Bundt cakes. They should have top crust side down.
8 Alcohol (ex. Wine, beer and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
9 For food safety purposes, any food with custard, ganache, and dairy-based fillings and frostings (ex. Cream cheese) raw eggs, flavored oils, contain more than 2T cream or milk products (including canned milk) "canned" bread or cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. Bacon) or unbaked exhibit with raw flour (ex. No bake cookies) will be disqualified and not judged. Refer to K-State Research and Extension publication, 4-H888, Judge’s Guide for Food and Nutrition Exhibits, for information to help you make informed, safe food exhibit decisions.
10 Under baked entries will be lowered one or more ribbon placings.
11 Educational exhibits – Exhibits may be in the form of a poster, notebook or display. Posters must not be larger than 22” x 28”. Displays are not to exceed a standard commercial 3’x4” in-fold display board. No card table exhibits. The name must be clearly marked on the educational display.
12 Food Gift Package and/or Specialty Food Product. No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items, prepared by the 4-H’er, in a suitable container no larger than 18”x18”x18”. Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On the back of the entry card, answer these questions: a) what is the intended use of this package; b) what food safety precautions were taken during and after preparation? This entry will count as a non-perishable food product, not as an educational exhibit.
13 After the product has been judged, a piece of the product will be on display. All items, except champion food items, MUST be sold. Champion food items shall be displayed as a whole unit, notwithstanding the judge’s sample.
14 Proceeds from Bake sale go to premium fund. Products are sold with set prices.
15 Recipes in the 4-H foods projects are only guidelines; comparable recipes from other sources may be used.
16 Limit 6 entries per class.
17 ALL NON-PERISHABLE FOOD EXHIBITS RECEIVING A PURPLE RIBBON ARE ELIGIBLE FOR STATE FAIR. * Exhibitor must be 9 as of January 1 to exhibit at State Fair.
18 The bake sale will start at 12:00.
19 4-H FOOD SILENT AUCTION
   a. Foods that will be in the silent food auction are Grand Champion Food Item; Reserve Grand Champion Food Item; Champion Cake; Champion Layer Cake; Champion Whole Wheat Food; Champion Cookie; Champion Yeast Bread; Champion Pie; and Champion Quick Bread in the 4-H Food Division.
   b. Bidding will begin after Foods Judging and run during the fair ending at 6:00 pm before the Livestock Sale.
   c. 4-H members may only sell one item in the silent auction.
   d. Items sold in the silent auction will not receive premium money for ribbons.
   e. Whoever had the highest bid at 6:00 p.m. prior to the livestock auction, will be the official buyer of each item.
   f. The proceeds will go to the 4-H member.
   g. 4-H Member must be present at 6:15 at the auction for photo.
   h. The 4-H member will bake and deliver to the buyer, a new food item within two weeks after the fair.

Class 4300 Non-perishable food product
Class 4301 Educational exhibit
Class 4306 Food Gift Package. No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items (prepared for human consumption), made by the 4-H member, in a suitable container no larger than 18”x18”x18”.
Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On the back of the entry card, answer these questions: a) what is the intended use; b) what food safety precautions were taken during and after preparation. This entry will count as a non-perishable food product, not as an educational exhibit. Home canned foods must follow Food Preservation rules. Canning jars should not be used for baking per manufacturer’s instructions. They could break during baking.

The following classes will not be eligible to exhibit at the Kansas State Fair and will not be sold at the food sale.
Class 283 - 4-H Basket of Bread - must contain three shapes and two kinds of dough. At least nine and not over twelve items. May include one loaf of bread, any type. Bring a sample of each kind for the judge so that the arrangement of the basket will not be disturbed. The basket will not exceed twelve inches in width and fifteen inches in height. A recipe for each type should also be included
Class 284 - 4-H Cookie Jar - Cookie jars must be wide-mouthed, clear glass or plastic, and decorated attractively. Cookie Jars should include at least three types of cookies and no more than five. One individually wrapped sample of each cookie should be provided and identified in a small box. Recipes should also be included.
Class 285 Flop Class – Any food item that you decided to remake. This class will
FOOD PRESERVATION
1. All exhibits must be preserved since the previous year’s county fair. Members must be enrolled in the project phase indicated.
2. Recommended recipes and processing methods must be used. Recipes must be from 1995-present. Processing methods that will be disqualified include: open kettle canning, oven canning, and sun canning and using electric multi-cookers. Untested recipes will be disqualified for food safety reasons. Recommended recipe resources include: K-State Research and Extension Food Preservation publications, USDA Complete Guide to Home Canning, So Easy to Preserve, 6th edition, Ball Bluebook Guide to Preserving, Ball Complete Book of Home Preserving, Canning mixes, (i.e., Mrs. Wages, Ball), Pectin manufacturers (i.e. SureJell, Ball). http://www.rc.k-state.edu/preservation/recipes.html.
Refer to the following K-State Research and Extension publications for more information: 4H712, “Food Safety Recommendations for Acceptable Fair Exhibits”
MF3170 “10 Tips for Safe Home Canned Food”
MF3171 “What’s Your Elevation?”
MF 3241 “How to Guide to Water Bath Canning and Steam Canning”
MF 3242 “How to Guide to Pressure Canning”
3. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified.
4. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be lowered on ribbon placing. Recipe must include exhibitor name, recipe source, date of publication and altitude of residence. If using Mrs. Wage’s or Ball mixes, indicate the date purchased.
5. Exhibits must be sealed in clean clear standard canning jars with matching brand (use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two-piece lids. Do not use colored jars. Do not add fancy padded lids, fabric overwraps or cozies as they interfere with the judging process. Jars must be sealed when entered. Jars will not be opened for judging. For food safety reasons, the size of the jars used must not be larger than the jar size state in the recipe. Note: There are now 12-ounce and 24-ounce jars available and may be used. Use pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24-ounce jars.
6. Each jar exhibited must be labeled. The label must not cover the brand name of the jar. The label must give: Class No, Product, Altitude of Residence, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), date processed including month and year, Name, and County/District. Templates to make adhesive labels can be found at https://www.ksre.ksu.edu/proj/agriculture/products/agriculture/forestry.html.
7. Hole punch entry card & use a rubber band to attach the entry card and recipe around the top of the jar.
8. If a dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 – 1/2 cup, or three or four pieces per exhibit. All meat jerky must be heat dried to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps, and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in “Dry meat Safely at Home” www.ksre.ksu.edu/bookstore/pubs/MF3173.pdf.
9. It is advisable to bring an extra jar to be used in case of breakage. This jar should be labeled “extra.”

FORESTRY - DEPARTMENT S
Superintendent: .................................................................But Malmberg
Assistant Superintendent: ..................................................Michele Malmberg, Sara Olson

AWARDS/PREMIUMS:
Purple – $3.00 Blue – $2.00 Red – $1.50 White – $1.00

1. All leaf exhibits are to be mounted on 8½” x 11” heavy stock paper and placed in loose-leaf binders. (Magnetic or adhesive filler sheets for photographic prints or sheet protectors are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose Maximum tri fold size is 3”x4”. Name, club, age, and year in the project should be on the front cover or in a prominent location. Resources for exhibiting are located on the Kansas 4-H forestry project page: https://www.kansas4-h.org/projects/agriculture-and-natural-resources/plant-sciences/forestry.html.
2. Name, club, age, and year in project should be on front cover or in a prominent location.
3. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include (1) The proper common name as listed in the 4H334, “List of Native Kansas Forest Trees” (https://www.bookstore.kre.ksu.edu/pubs/4H334.pdf), (2) Location (city and/or county) where collected; and (3) date (day, month, year) collected.
5. Divide specimens into the following two sections: Native Kansas Trees, and Non-Native Trees.
6. New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens.
7. Group specimens according to the years collected (ex. “old-previous years” and “new”)
8. Varieties of species do not count as different species or specimens.
9. When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the “old previous” section of the display.
10. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
11. In all leaf collections (Division A – Intermediate Forester), exhibit one complete leaf where possible. If the leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A “leaflet” is incorrect when displayed as the complete leaf for the tree.
12. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.

Knowing Trees as Individuals (Leaf Collections**)
Class 5100 - Forestry Collection: Beginning (Choose either A or B)
A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 5 native Kansas trees showing leaf, twig, and fruit from each species collected.

Class 5101 - Forestry Collection: Intermediate (Choose either A or B)
A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaves, twig and fruit specimens.

Class 5102 - Forestry Collection: Senior (Choose either A or B)
A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 15 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaves, twig and fruit specimens.

Class 5103 - Forestry Collection: Advanced (Choose either A or B)
A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new leaves, twig and fruit specimens.

How A Tree Grows
Class 5104 - Notebook: Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.

Tree Appreciation
Class 5105 - Notebook: Entry may include a research or reporting project notebook with no more than 10 pages based on the exhibitor’s selected tree. Exhibit must be a different species of tree each year. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.

Growing and Protecting Trees
Class 5106 - Display/Notebook: Entry requires a display, or project notebook, telling about project and pictures before, during, & after planting seedlings, a container tree, or a balled and burlapped tree. Maximum tri-fold size is 3’ x 4’

Tree Culture
Class 5107 - Display/Notebook: Entry requires a display, or project notebook showing your project work and includes pictures of before, during and after wood lot improvement. Maximum tri-fold size is 3’ x 4’.

How Forests Serve Us
Class 5108 - Display: Entry may include collected wood samples (all or partial) and a 500-word 2-page essay. Wood sample display to be mounted on poster board or any stiff material no larger than a 3’ x 4’ tri-fold. The essay should be displayed in a covered binder.

Educational/Creative Exhibit
Class 5109 - Display: Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3’ x 4’. Care should be taken to use durable materials that will withstand Fair conditions. This is a good class to exhibit an unusual collection.

GEOLoGY - DEPARTMENT T
Superintendent: .......................................................... Tony Imm
Assistant Superintendent: ................................................Anthony Imm

AWARDS/PREMIUMS:
Purple – $3.00 Blue – $2.50 Red – $2.00 White – $1.50

GUIDELINES
1. READ GENERAL RULES.
2. All entries will be placed in standard Plexi-glass covered wooden boxes with outside measurements of 18" x 24" x 3 ½". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep. Screws, locks, or other devices that would prevent judges from removing Plexi-glass cover should not be used.

3. Identify each display box by placing an identification label with name, county, and number of specimens in the upper left-hand corner of the Plexi-glass cover (inside - use clear double-sided tape to adhere gummed labels) and by attaching a label with the same information on the lower right corner of the box (outside). The inside label also indicates the class number.

4. Geology specimens shall be labeled with the number of specimens, date collected, specimen name or description, and locality (county) where collected.

5. Mount specimens in the box by the proper groups-rocks-minerals-fossils.

6. For geology classes 5199, 5200, 5201, 5202, and 5203 all specimens must be collected (not purchased) from locations in Kansas. Out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

*Class 5199- Introductory phase was created for young geology collectors. Suggested ages: 7-9 or interested beginners any age.

1. Years in class: 2 maximum
2. Display box: cardboard flat, covered with clear plastic wrap to protect the specimens.
3. Display at least 9 (3 rocks, 3 minerals, 3 fossils to 15 maximum)
4. Labels: Date-locality labels required on each specimen.

Class 5200: Display at least 15 rocks, minerals or fossils. Limited to one exhibit box. Those exhibiting at the State Fair for the first time may enter this class.

Class 5201: Display at least 30 rocks, minerals, or fossils, at least five of each. Fifteen must be collected during the current 4-H Year. Limited one exhibit box. Fossils must be identified to Phylum level.

Class 5202: Display at least 45 rocks, minerals or fossils, at least 5 of each. Exhibit limited to two boxes. The exhibit must include approximately 15 specimens of current year’s work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum level.

Class 5203: Display at least 60 rocks, minerals, or fossils, at least 5 of each. Also, identify class and Genus levels if possible.

Class 5204 - Geology Educational Exhibit: Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Digital formats are accepted. Please make arrangements for the judge to view your exhibit and have a hard copy for display. Exhibit limited to 4 feet of table space.

Care should be taken to use durable materials that will withstand Fair conditions.

Class 5205 - Mineralogy. Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. Grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). Specimens must be labeled with the number of the specimen, date collected, the name of the specimen, the county where collected and chemical composition (ie: CaCO3 for calcite) if known.

Class 5206 - Fossils. Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.) See #5 for additional fossil labeling expectations.

LAPIDARY CLASSES

The lapidary will be judged on the following criteria:

Workmanship and Content ..................................80 points
Presentation and Showmanship...............................30 points
Accuracy of Information.....................................10 points

All lapidary specimens should be labeled with the following information:

- Specimen name
- Place of origin (country, state, or county; county required for Kansas specimens)
- Purchased or self-collected
- Date lapidary treatment began
- Date lapidary treatment completed (Treatment completed after the State Fair is considered a new year specimen).

Class 5300 - Lapidary. Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after”, nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the State
Fair for the first time may exhibit in this class...

Class 5301 - Lapidary. Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H'ier collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

Class 5302 - Lapidary. Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H'ier, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 5303 - Lapidary. Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H'ier, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 5304 - Lapidary. Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

**HOME ENVIRONMENT - DEPARTMENT U**

**AWARDS /PREMIUMS:**
- Purple -- $3.00
- Blue -- $2.50
- Red -- $2.00
- White -- $1.50

**GUIDELINES**
1. READ GENERAL RULES.
2. Open only to members enrolled in home environment project. Exhibits must have been made or selected during the current club year.
3. Articles may have been used, but if so, shall be carefully laundered or cleaned before being exhibited.
4. Poster or notebooks may have swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans
   1. An entry card must be attached to the exhibit with safety pin(s) or tape and string
   2. A member may make only one exhibit in this division.
   3. A summary including plans, explanation of how the items was made or refinished, and how it fits into the color and design of the room. Summary could also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Summary should be in a plastic protective sleeve and attached to exhibit.
   4. Projects with missing or insufficient summary will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).
   5. Exhibits should be of high quality (as compared to quick, simple crafts), suitable for use in the home several months throughout the year. Holiday-specific items are discouraged.

Class 4400 - Single Exhibit. An article (furniture, fixtures, interior or exterior, etc.) made or refinished by the 4-H member for the home. Must include attached summary.

Class 4401 - Design Board. Boards must be on foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room. Must include attached summary.

Class 4402 - Notebook. Notebooks may include floor plans, swatches, colors, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Additional summary is not required for Notebook exhibits.

Class 4403 – Piece of repaired or refinished furniture.

**HONEY - DEPARTMENT V**

**AWARDS/PREMIUMS:**
- Purple -- $2.00
- Blue -- $1.75
- Red -- $1.50
- White -- $1.00

**GUIDELINES**
1. READ GENERAL RULES.
2. Honey exhibits must be packed in clean, one-pound Queen Line jars, with new lids.
3. Each exhibit must have the entry form attached to the lid. No labels are to be placed on the glass portion of the jar.
4. All exhibits will be opened and tested by the judge. Jars must be properly sealed when entered.

*Class 330 - Two, one-pound Queen Line jars, light honey.
*Class 331 - Two, one-pound Queen Line jars, amber to dark honey.
Horticulture - Department W

AWARDS/PREMIUMS:

Purple -- $3.00  Blue -- $2.50  Red -- $2.00  White -- $1.50

GUIDELINES

1. READ GENERAL RULES.
2. For more information, see “Exhibiting and Judging Fruits and Vegetables”, KSU Publication C-405.
3. To properly identify your exhibit, attach a string to the entry form and tape or tie the string to the plate or exhibit.
4. Fruits & vegetables can be exhibited by any 4-H member who has been responsible for the care of the plants during the current 4-H year.
5. Multiple exhibits may be entered but only one variety of each species per class.
6. A County fair exhibitor (9-18 years of age) earning a purple ribbon on an out-of-season vegetable (e.g. early peas) is eligible to exhibit another vegetable (e.g. pumpkins) in its place at the State Fair.

VEGETABLES

*Class 2499 – Odd or Misshapen Fruit or Vegetable (Participation ribbon only)
Class 2500 - Garden Display - Exhibit consists of five different fresh vegetables. Canned vegetables are not acceptable. Only one variety of a specific vegetable may be exhibited. The numbers of the five vegetables to be exhibited are as follows: Large vegetables (one each) example: watermelon, squash, pumpkin, eggplant, cabbage, & cantaloupe; medium vegetables (five each) example: cucumbers, tomatoes, beets, onions, peppers, okra, parsnips, Irish and sweet potatoes, or similar size vegetables. If small, fresh vegetables, such as green beans are used - a dozen is suggested for a good display. Shelved vegetables should not be exhibited.
Class 2501 - Small Vegetable Specimen Plate (12 each). Examples: green snap beans, yellow wax beans, & other small vegetables.
Class 2502 - Medium Vegetable Specimen Plate (5 each). Examples: cucumbers, tomatoes, beets, onions, peppers, okra, parsnips, turnips, potatoes, sweet corn, carrots, kohlrabi, & other medium vegetables.
Class 2503 - Large Vegetable Specimen Plate (1 each). Examples: watermelon, cabbage, eggplant, cantaloupe, honeydew, pumpkin, squash, zucchini.

FRUITS

Class 2505 – Small Fruit (12)  Class 2507 - Grapes (3 clusters)
Class 2506 – Tree Fruit (5)  Class 2514 – Other Fruit (5)

ORNAMENTAL

*Class 2508 - Pumpkin, miniature (3)
*Class 2509 - Gourds, small (3)
*Class 2510 - Gourds, large (1)

HERBS & NUTS

Class 2504 – Herbs – 6 stems fresh samples, must be exhibited in fresh water.
*Class 2513 – Nuts (5)

FLOWERS

Class 5600 - Garden Flower, single stem, annual.
Class 5601 - Garden Flower, single stem, perennial.
Class 5602 - Flower Arrangement, fresh flowers.
Class 5603 - Flower Arrangement, dried plant material, no fabric or plastic materials.
*Class 5605 - A Potted Plant, blooming.
*Class 5606 - A Potted Plant, foliage

Horticulture Notebook

Class 5604 - Horticulture Notebook.
Entry shall consist of a notebook or three ring binder of written narrative describing a horticulture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer’s market business, or other horticultural project. 4-Hers are encouraged to include photographs, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during and after the completion of the project are particularly helpful. Exhibitor may enter one horticulture notebook. Horticulture notebook scoring is based on the following criteria: Organization and General Appearance (neat, includes title page and table of contents, original, creative, etc.) 20%, Narrative (including goals, successes, failures, etc.) 40%, General Content (subject matter, photos, maps, knowledge gained, etc.) 40%

GUIDELINES

1. READ GENERAL RULES.
2. Entries may be by club or individual and must represent a project carried by the club or individual.
3. Scrapbooks should place more emphasis on what one individual has done in the project -- not just a lot of literature pasted in a book, which doesn’t tell the judges about the exhibitor.
4. All entries must be the current year's work. Past years' work may be included in the entry, but designated by years in a separate section.
5. Notebooks and Displays will be judged on the following points:
   1) Stopping Power .......................................................... 15
      Is the main idea specific? Is the idea presented clearly, simply, forcefully?
   2) Interest, Holding Power ............................................... 15
      Does the exhibit give the observer additional facts in a clear, concise, informative way?
   3) 4-H Project Application .............................................. 15
      Is the subject matter an effective showcase?
   4) Mechanical Power ..................................................... 15
      Correct letter size, pleasing color combination, appropriate symbols, and models
   5) Personal Growth ......................................................... 25
      How much knowledge was gained by exhibitor? Was enthusiasm shown?
   6) Educational Value ........................................................ 25
      Knowledge Shared. Note: Credit all citations, websites or other resources used in creating your exhibit.

Posters will be judged on the following points:

   General Appearance ..................................................... 30
   Information ................................................................... 50
   Organization .................................................................. 20

    - Mechanical Power: 15
    - Total: 100

Class 6200 – Educational Display – Must be directly related to the 4-H Shooting Sports project, (standard tri-fold boards only)
Class 6201 – Promotional Poster – Must promote 4-H Shooting sports (flat poster no larger than 22”x30”)
Class 6202 – Notebook – Content pertain to some phase, results, story or information
4-H SPACETECH - DEPARTMENT FF

ASTRONOMY, ROBOTICS, ROCKETRY

Superintendent: .................................................................Bethany Jessup
Teen Leader: Gracie Jessup

AWARDS/PREMIUMS:
Purple -- $2.50  Blue -- $2.00  Red -- $1.50  White -- $1.00

ASTRONOMY

GUIDELINES
1  READ GENERAL RULES
2  The 4-H member must be currently enrolled in the 4-H SPACETECH project to exhibit in this division.
3  Exhibits which require no construction or painting are not acceptable exhibits.
4  Exhibits are limited to no more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
5  Exhibit must include a "4-H Astronomy Exhibit Information Form," which should be attached to the outside of a 10" x 13" manila envelope. You must also include construction plans (or a photocopy) for the telescope and place it inside the manila envelope.
6  Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8 ½" x 11" page. A brief caption should accompany each photograph. Place photos in the 10" x 13" manila envelope.
7  The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smooth and tight, if tight.
8  Telescopes designed by the exhibitor must be original, not a modification of an existing kit.
9  Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the telescope.
10 If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judges' discretion, will receive a participation ribbon.

Class 5500 - Telescope made from kit
Class 5501 - Telescope made from original design

COMPUTERS

1  The 4-H computer project teaches concepts related to computers, hardware knowledge, software programming and applications, internet safety, the building, maintenance and repair of computers and future career opportunities. Please note that the actual construction of computer hardware (i.e., building a computer, electronic devices with a mother-board based manipulation) will remain in the Energy Management division.
2  The 4-H members must be currently enrolled in the 4-H SPACETECH project to exhibit in this division.
3  Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
4  Exhibitor's name, county or district, 4-H age, and year(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.

See the last section for full details about exhibiting posters, display boards and notebooks.
5  If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judges' discretion, will receive a participation ribbon.

Computer Systems
The Kansas 4-H SPACETECH Computer System portion of the computer project is designed to allow 4-H members to explore how information is moved from one part of the computer to the other; how information is moved between two or more computer system (networking); how information is stored; or how information is acted on (programming).

Any item which IS NOT a notebook, display board, or poster displayed in this class is considered a "computer system" exhibit and MUST follow the rules set forth below.

1  All exhibits must be:
   a. Self-contained on a USB drive (thumb drive, flash drive, jump drive, or other any other name for a small USB storage device; the rules will use "USB drive"). This means that a judge can plug in the USB drive into a computer and be able to run the exhibit as described below.
   OR
   b. System - On-A-Chip (SOC) (such as Raspberry Pi) or a Micro-Controller (such as an Arduino or Ozobot) AND is a compact (less than 4-5/8” x 4-5/8” x 4-5/8”) system, which can be programmed AND requires minimal assembly to operate (e.g. connecting power, display, and keyboard/mouse cables). Referred to as a "chip system" through the rest of the rules.
2  Physical computers such as tablets, smart phones, laptops, or personal computers (PCs) will not be accepted as an exhibit.
3  "Chip system" may use/include GPIO bread boards or HATs (Hardware Attached On Top) the size of which is not included in the size of the chip system however the total size of the chip system and GPIO devices may not exceed 24”X24”X24” including any protective enclosures.
4 Any attached GPIO devices are not judged for electrical construction or quality as this division is focused on the operational aspects of the system that have automated articulated structures (arms, wheels, grippers, etc.) which the exhibitor constructed, can also be classified as a robot, and the exhibitor must decide which division to exhibit in as the exhibit may not be entered in both divisions.

5 For chip system, all electric components of the system must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for the electrical components.

6 All revisions of all forms previously released for the SPACETECH division either undated or dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year. Use of old forms will result in the loss of one ribbon placing for exhibits.

7 For all computer system entries the following items are required as part of an exhibit packet:
   a. A manila envelope with the Computer Exhibit Form attached to the front, this form can be downloaded at www.KansasSPACETECH.com.
   b. A USB drive labeled with the 4-Hers name, county/district, and club; in a way that does not prevent it from being plugged into a computer.
   c. For exhibits that are entered on USB drives, at least one (1) graphic (picture, screen shot/capture, slide, etc.) of the project must be printed out on an 8.5" X 11" sheet of standard computer paper, placed in a plastic sheet protector, to allow for proper display and recognition at the Kansas State Fair. This is what will be displayed during the fair, all other materials will be sent back to the county/district office. On the back side of the graphic the 4-Her’s name, county/district, and club should be listed.
   d. Instructions to run any part of the exhibit on the USB drive.
      (There should be at least three (3) items in your manila envelope: USB drive, graphic and instructions).

8 Each exhibit must be accompanied by a “4-H Engineer’s Journal.” The engineer’s journal should be typed. It can either be included electronically on the USB drive (preferred) or printed and placed in the manila envelope.
   a. The “4-H Engineer’s Journal” should start with a dated entry describing what the 4-H member is trying to accomplish/build.
   b. The “4-H Engineer’s Journal” should conclude with a dated entry describing what the 4-H member achieved in creating. (The start and end many times will be different. The judges are interested in the journey).
   c. Additional entries in the “4-H Engineer’s Journal” should be made as progress occur describing successes and failures; as well as the steps done and any sources of information including links used.
   d. Pictures can also be included in the “4-H Engineer’s Journal” but should not be more than 50% of the entries.
   e. The “4-H Engineer’s Journal” should contain at least one graphic.
   f. The “4-H Engineer’s Journal” must be at least 3 pages in length.
   g. An example of a “4-H Engineer’s Journal” can be found at www.KansasSPACETECH.com.
   h. The “4-H Engineer’s Journal” will comprise 50% of the overall exhibit score. Failure to include a “4-H Engineer’s Journal” will result in the exhibit being disqualified.

9 If the exhibit is a program, application, app, web site, or requires any coding, the source code must be included on the USB drive. Failure to include a copy of the "source code" may result in up to one ribbon place deduction.

10 Diagrams or decision trees showing the logical flow of the system must be included on the USB drive for all exhibits.

11 A set of instructions must be provided to run the computer system/application. These instructions should be printed off and included in the exhibit package and a copy should be included on the USB drive.
   a. It is recommended that 4-Hers bring a computer that will run their project to the county fair for judging as judges typically do not bring computers with them. Operating instructions are still required.
   b. Instructions should be written as though you were helping a less techy person, (like a grandparent) use the USB drive with a computer similar to what is described in rule 9 below. An example of instructions can be found at www.KansasSPACETECH.com.

12 Each exhibit must accomplish a specific automated task using a computer, a chip system, or virtual machine (VM).

13 Kansas 4-H SPACETECH has made available Linux Virtual Machines (VMs) that can be downloaded and used to create projects on such as web servers, networking, and many other projects. For more information on how these VMs can be leveraged or to download them visit www.KansasSPACETECH.com. 4-Hers are not required to use the VMs in their projects. They are optional.

14 All licensing should be adhered to for any software used in the exhibit. Failure to do so will result in a reduction of one ribbon placing and may not be considered for best of show.

15 The creation of viruses, malware, malicious applications or code, defamatory language or graphics, bullying, or any material that is “mean,” “dangerous,” or harmful according to the judge’s opinion will result in the exhibit being disqualified.

16 Pictures or still graphics created are not eligible for entry as a project in this division, and should be entered in the appropriate photography division.

17 Judging will be based on a score sheet which can be found at www.KansasSPACETECH.com.

Class 5590 - Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a ‘word document’ or a picture drawn in ‘Microsoft Paint’.)

Class 5591 - Computer presentation (power point, web page/site, animated graphics, etc.)

Class 5592 - Single computer system (web server, database server, etc.)
ROCKETS

1. If launched, articles used should be cleaned before exhibiting.
2. The report that accompanies the exhibit must be limited to the 4-H Exhibit Information Form which is glued to a 10" X 13" envelope.
3. Plans (or a copy of) must be placed inside the envelope. This includes original design rockets. If a rocket kit has been modified structurally, notations need to be given indicating the changes made, either by notations on the Rocket Exhibit Information Form or by placing notes in the plans.
4. Photographs are also required with the exhibit. Place one to five 8 ½ X 11 pages of photographs inside the envelope. One or more photographs of the rocket at the launch site are required. Photographs showing the rocket at the moment of ignition are preferred. There must be at least 1 page of photos and no more than 5 pages of photos. Include at least one photo showing rocket construction, preferably with the exhibitor included. Do not include photos of members catching their rockets as they return to earth. This is an unsafe practice, and we do not recommend or condone this practice.
5. The rocket must be made and fired in the current year to be eligible for the State Fair. (If a burn ban is in effect for any county in Kansas, participants are not required to launch their rocket(s)). Launches should not be conducted in winds above 20 mph and will constitute disqualification of rocket exhibit.
6. Beginner’s kits with prefabricated plastic fin assemblies and prefinished rockets requiring no painting are NOT acceptable at State Fair.
7. The exhibit must be uniformly painted, smoothly finished, have decals applied smoothly, be properly assembled & painted according to accompanying plans.
8. Engines and igniters are not permitted with the exhibit.
9. Exhibitors who wish to exhibit a rocket using a size E engine or larger will be required to provide a National Association of Rocketry (NAR) membership number on the exhibit information sheet.
10. Each rocket must be able to stand freely by itself or be supported, on a wooden base, not to exceed 3/4 inch thick by 8 inches square for small and medium-sized rockets; wooden or metal support rods must not extend past the tip of the nose cone. Support rods must remain in an upright position. Do not angle. (Do not submit on a launch pad.)
11. All rockets must have a safe method of recovery, e.g., parachute, streamer or tumble recovery. Any rocket without a recovery system will be disqualified.
12. The attitude achieved by rocket is to be determined using a method other than estimation. Examples of accepted methods include an altimeter, computer software, rangefinders, etc. If additional space is needed to show calculations of how attitude was achieved one additional page may be added to the rocketery information pack.
13. Flight damage is to be documented by the participant on either the construction plans or the 4-H SpaceTech Rocket Exhibit Information Form.
14. The judging of flight damage is to be secondary to all other aspects of the model and only then may it even be considered. However, under no circumstance may flight damage be grounds for disqualification.
15. Engines and igniters, under any circumstance, ARE NOT permitted with the exhibit and constitute an immediate disqualification.
16. If an engine becomes stuck, jammed, wedged, or in any way permanently affixed in or to a rocket and cannot be removed from the rocket, the rocket will be subject to immediate disqualification. This is because it is not possible to make a full and immediate assessment of the safety of the rocket when it is being judged and safety is paramount. Engines may not be used as display stands hollowed out or otherwise. This is a significant change from the previous year’s rules. Engines used as a display stand will be subject to immediate disqualification.
17. Rocket engines should not be used to join multi-stage rockets together.
18. Multi-stage rockets can be displayed without having stages connected together.
19. The different stages must be included to complete the rocketry exhibit; incomplete exhibits will be deducted at least one ribbon placing.
20. Use of any engines to join the stages together will be subject to immediate disqualification.
21. Multi-stage rockets can be flown using just the final stage and be considered fully flown.
22. Angles of fins must fall within a plus or minus 2-degree variation using an approved fin alignment guide (such as KSSTAC10). An official fin guide is available from www.KansasSpaceTech.com.
23. Fins should be rounded or streamlined to reduce drag on all exposed sides unless instructions indicate otherwise.
24. Fins and body tubes are to be sealed with sanding sealer and/or primer to eliminate the appearance of body grooves and wood grain.
25. Fins and launch lugs are to be filleted to reduce drag and properly secure them to model.
26. Any seams on plastic parts are to be sanded smooth.
27. Body tubes/airframes/engine mounts can be made from suitable materials, including, but not limited to reinforced paper, cardboard, phenolic resin, specialized polymer resins, fiberglass, Kevlar, or other suitable structural materials. However, foam may not be used for external body or other external rocket parts.
28. The nose cone is to fit snugly but still allow for easy removal.
29. Exhibits must be uniformly painted and smoothly finished or finished as per rocket instructions, and have decals applied smoothly.
30. Non-standard surfacing (such as textured paint) may be used if directed by the instructions, this includes scratch-built rockets.
31. Models may not be judged based on their paint scheme (colors and placement on the rocket), with the exception of rockets that fit the definition of a ‘scale model.’ All other rockets do not have to follow the suggested paint scheme, allowing the 4-H to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move the model from one
33 “Scale models” may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
34 Scale Model Rockets are to be finished & completed with majorly (greater than 70%) of decals.
35 May have 2 exhibits in classes 5519, 5520, 5525
   *Class 5518 - Basic Rocket for 1st Year Members (ex. E2X Rockets, or rockets that have plastic preconstructed fins and require no painting.)
   *Class 5519 - Rocket Made from a Kit, Junior Division-- include plans.
   Class 5520 - Rocket made from a Kit, Intermediate Division -- include plans.
   Class 5525 - Rocket made from a Kit, Senior Division -- include plans.
   Class 5526 - Rocket Designed by Exhibitor (not merely modification of an existing kit rocket -- include original plans).
   *Class 5522 - Rocket Display - requires 2 or more rockets and a report of rocketry experience. (1 ribbon will be awarded to the overall display).

ROBOTICS
1 The exhibit must have been completed during the current 4-H year.
2 Each robot must be fully-standing, without the need for additional supports in order to be moved or exhibited. Each exhibit must include a robot, information packets are not a sufficient exhibit.
3 Robots must have automated articulated structures (arms, wheels, grippers, etc.).
   Robot designed and constructed by exhibitor or from a commercial kit, that is
   operated by a remote controlled device.
4 All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
5 Robots may be powered by an electrical, battery, water, air or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession or creation, physical and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.
6 Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.
7 Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for this current 4-H year.
8 Each exhibitor is required to complete the “4-H SpaceTech Robotics Exhibit Information Form”. This form must be attached to the outside of a 10” x 13” manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
9 The exhibit must include written instructions for operation, construction plans, one to three pages of project photographs or a 5-minute CD, DVD, or video presentation, and robot programming information, if applicable
10 Creativity, workmanship, and functionality will be strong criteria in judging the “Robot designed by Exhibitor” classes.
11 Exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the robot, educational display, notebook and/or poster board. Sources of scientific information must be cited on the front of your exhibits, including all posters and educational display boards.
12 Team project notebooks must be organized in a 3-page binder and should highlight information/roles of each team member, drawings, charts, photographs, goals, and objectives of your robotics project, and all robotic competitions your team has competed in during the current 4-H year.

Junior and Intermediate Ages 7-13
Class 5509 - Robot made from a commercial (purchased) kit. (No Programming just assembly)
Class 5510 - Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
Class 5511 - Programmable robot made from a commercial (purchased) kit.
Class 5546 - Robot designed and constructed by the exhibitor or from a commercial kit, that is operated by a remote-controlled device
Class 5544 - Junk Drawer Robotics

Senior Division Ages 14 and up
Class 5513 - Robot made from a commercial (purchased) kit (No Programming just assembly)
Class 5514 - Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
Class 5515 - Programmable robot made from a commercial (purchased) kit.
Class 5547 - Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remote controlled device.
Team Robotics Project
Class 5517 - Robot designed and constructed by two or more 4-H SpaceTech project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H SpaceTech members. As with many high tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem-solving, and cooperation of an entire team to complete a given robotics project.

Spacetech Educational Exhibits
1. Exhibits in posters, notebooks, and display boards may not be just a static project but must contain substantial supporting educational materials in the form of posters, notebooks, or display boards, etc.
2. Educational display boards, posters, and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, the accuracy of the material, knowledge gained, and content. An exhibit judging score sheet will be available at www.kansasspacetech.com. For example, a rocket may have crashed and/or is highly damaged that can’t be launched again may be made into an educational display or poster that tells a great story with many lessons learned.
3. Follow copyright laws, citing all sources of information in a standard notation on the “4-H Educational Exhibit Information Form.” Additional pages can be added inside the Information Packet and should be labeled “Citations.” Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.
4. Educational displays are not to exceed a standard commercial 3’x 4’ tri-fold display board. No cardboard table exhibits will be allowed. Care should be taken to use durable materials that will withstand Kansas State Fair conditions.
5. “Construction Kits” that are part of Educational displays must be contained in cases (tackle boxes, sealable containers, etc.) that may not be larger than 1’ X 2’ X 2’ and must have a latch which securely keeps all components contained in the “Construction Kits.” Other components are to adhere to appropriate dimensions as stated elsewhere.
6. Educational Project notebooks must be organized in a 3-ring binder.
7. Educational posters must be no larger than a 20” X 30” poster board. Exhibitors are encouraged to laminate all posters and diagrams or cover them with clear plastic film. Any three-dimensional display exhibits may not be thicker than 1”.
8. Engines and igniters in rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This is for safety reasons and includes both spent and live engines.
9. Exhibitor’s name, county or district, age, and year(s) in project must have a latch which securely keeps all components contained in the “Construction Kits.” Other components are to adhere to appropriate dimensions as stated elsewhere.
10. Exhibits should possess the following qualities (in no particular order):
   - A Central Theme
   - What you want others to learn
   - Be designed and constructed in a manner befitting the exhibit
   - Be something you are interested in
   - Related to model or high power rocketry
   - And those characteristics described above.

**VISUAL ARTS - DEPARTMENT GG**
Superintendent: .......................................................... Robin Chester
Assistant Superintendents ...........................................Christen Greving, Camryn Greving
Teen Leader: ............................................................. Torree Slavik, Kaden Graham

**AWARDS/PREMIUMS:**
Purple -- $2.50  Blue -- $2.00  Red -- $1.50  White -- $1.00

**GUIDELINES**
1. READ GENERAL RULES.
2. Exhibitors are responsible for packing and unpacking their own exhibits.
3. All entries must be the work of the exhibitor.
4. The exhibitor must be enrolled in Visual Arts.
5. All exhibits must be ready for display.
6. Each item in the exhibit must have a tag or sticker with exhibitor’s name.
7. Limited to 6 exhibits
8. 4-H Visual Arts classes at State Fair are based on a quota. Grand Champion and Reserve Grand Champion will be included in the state fair quota.
Class 4502 – Visual Arts Junior division
Class 4501 – Visual Arts Intermediate division
Class 4500 – Visual Arts Senior division

**WILDLIFE – DEPARTMENT HH**
Superintendent: .......................................................... Tony Imm
Assistant Superintendent: ............................................ Anthony Imm
GUIDELINES

1. A MEMBER MAY MAKE ONLY ONE ENTRY IN THIS DIVISION
2. EXHIBITORS MUST COMPLY WITH STATE AND FEDERAL LAWS. It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
3. Name, county or district, age and year in the project should be in a prominent location on the exhibit.

WOODWORKING - DEPARTMENT II
Superintendent: ................................................................., Mike Suchsland
Teen Leader: ................................................................., Hayden Gottslie

AWARDS/PREMIUMS:
SMALL ITEMS: Purple - $5.00  Blue - $4.00  Red - $3.00  White - $2.00
LARGE ITEMS: Purple - $10.00  Blue - $7.50  Red - $5.00  White - $2.50

 GUIDELINES
1. READ GENERAL RULES.
2. Each exhibitor is limited to one exhibit in this division.
3. The plan from which it was constructed must be with the article exhibited. The plan may be a photograph, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step by step instructions is not a plan.
4. Projects with missing or insufficient plans will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).
5. The use of materials other than wood should be kept to a minimum.
6. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
7. The entry card, plans, and all other paperwork should be secured to the project in some manner. Tape is usually not adequate to accomplish this. It is recommended to use a zip-top plastic bag with a hole punched through it and using string to tie this to the exhibit.
8. Refinished/ repaired furniture should be exhibited in Home Environment Class 4400 - Single Exhibit.
9. Projects made from pre-cut kits are not allowed.
10. In judging woodwork articles, consideration will be given to Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.
11. Firearms and weapons are not to be entered or exhibited at the County Fair

Class 4700 - Article for farm or shop use
Class 4701 - Furniture for household or lawn use
Class 4702 - Other woodwork. Articles not included in above classes. Examples: bird houses, bird feeders, household equipment such as knife racks, breadboards, door stops, etc.

FFA AGRICULTURE EDUCATION - DEPARTMENT JJ
Superintendent: ................................................................., Marvin Fehlman,

AWARDS/PREMIUMS:
Small Items: Purple - $3.00  Blue - $2.50  Red - $2.00  White - $1.50
Large Items: Purple - $10.00  Blue - $7.50  Red - $5.00  White - $2.50

GUIDELINES
1. READ GENERAL RULES.
2. All entries must have been constructed or repaired within the past two years.
3. A display board incorporating project description and the approximate cost is encouraged but not required.
4. Repair projects with adequate original finish need not be repainted for the county fair.
5. The Kansas State Fair Agricultural Mechanics Exhibit Rules will be followed. Contact the Vocational Agricultural Instructor for these rules.

Class 500 - Welding Display 1. Display and have labeled on a suitable board, the following flat position arc welds or Oxy-Arc welds:
   a. Pad of stringer beads
   b. Butt weld
   *Class 501 - Welding Display 2. All flat position listed above plus the following arc welds or Oxy-Arc welds Bronze:
      a. Vertical, up
      b. Vertical, down
      c. Horizontal
      d. Overhead: Butt, Lap, Filler
   *Class 502 - Welding Display 3. All welds above plus the following arc welds:
      Cast iron welding with:
PREMIUMS: Refer to same classes in 4-H.

GUIDELINES
1. To exhibit, one must have completed a year of Family and Consumer Sciences.
2. The exhibits must be the handiwork of the exhibitor and must be the result of work done during the preceding school year.
3. Exhibits will be judged as purple, blue, red, and white. Judge’s decisions are final.

SEWING
1. READ GENERAL RULES.
2. The garment may have been worn but should be cleaned before being exhibited.
3. Labels:
   a. Must be typewritten or printed in ink on a 3" X 2" tag
   b. Must contain: class, name, age, years enrolled in FCS class
   c. Sew to neckband, back of skirt belt, on belt band. Label each piece.
   d. Garments will not be judged unless properly labeled when brought to fair.
4. If the garment is to be hung, place hanger with hook toward right shoulder of the garment. Attach skirt to hanger with large safety pins.
5. May have up to six entries.
   *Class 550 - Wearing Apparel
   *Class 551 - Creative Textiles by Hand
   *Class 552 - Creative Textiles by Machine
   *Class 553 - Quilt

FOODS
1. READ GENERAL RULES.
2. Follow 4-H guidelines for food safety requirements.
3. Remove baked products from baking pans and place on a paper plate or covered cardboard cut to fit the size of the product. Place in a clear plastic bag. THE ENTIRE PRODUCT MUST BE ENTERED.
4. Each exhibit must have an entry tag and recipe when entered.
5. Layer cakes must be two or more layers and frosted.
6. All items, except champion food items, MUST be sold. Champion food items shall be displayed as a whole unit, notwithstanding the judge’s sample.
7. Proceeds from the Bake sale go into the premium fund. Products sold at set prices.
   *Class 560 - 7 Drop Cookies
   *Class 561 - 7 Brownies, unfrosted
   *Class 562 - 7 Muffins
   *Class 563 - 1 Loaf Quick Bread
   *Class 564 - White Layer Cake, frosted
   *Class 565 - Chocolate Layer Cake, frosted
   *Class 566 - Angel Food Cake, unfrosted
   *Class 567 - 7 Yeast Rolls
   *Class 568 - Loaf Yeast Bread
   *Class 569 - Fruit Pie
   *Class 570 - Coffee Cake
   *Class 571 - Decorated Food Item
   *Class 572 - Decorated Food Item made on a box
   *Class 573 – Canning – Sweet Spreads
   *Class 574 – Canning - Fruits
   *Class 575 – Canning - Pickles & Relishes
   *Class 576 – Canning - Meat
   *Class 577 - Canning – Vegetables
   *Class 578 – Miscellaneous

INTERIOR DECORATING
1. Read General Rules.
2. Articles may have been used but should be carefully laundered or cleaned before being exhibited.
3. Only articles to be judged shall be in the exhibit.
4. Each piece in the exhibit shall be labeled with name, address, & class number.
